Defendant shall refrain from obstructing or attempting to obstruct, in any fashion, with the efficiency and accuracy of prohibited substance testing.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

On May 17, 2022, U.S. Probation Officer Jon Bot reviewed the conditions of Ms. Silk's pretrial diversion agreement with the defendant. Ms. Silk acknowledged an understanding of the conditions of the diversion agreement at that time.

On July 14, 2023, the undersigned officer again reviewed the conditions of the pretrial diversion agreement with Ms. Silk. Additionally, the undersigned officer verbally advised Ms. Silk that she was ordered to pay \$1,263.08 in restitution, which was stipulated by the parties and accepted by the Court after a hearing that occurred on January 26, 2023 (CM/ECF No. 83). Ms. Silk acknowledged an understanding of her conditions of the diversion agreement at that time.

On or about April 23, 2025, the undersigned officer submitted a signed consent to modify conditions of release (ECF No. 108), in which Ms. Silk and defense counsel agreed to additional conditions of the pretrial release/diversion agreement. The Court approved the aforementioned modification agreement on April 23, 2025.

Violation #6: Olycia Anne Silk is alleged to have violated the conditions of her pretrial diversion agreement by testing positive for the presence of marijuana on May 6, 2025.

On April 21, 2025, Ms. Silk was admitted into intensive outpatient substance use disorder treatment (IOP) at Alcohol Drug Education Prevention & Treatment, Inc. (ADEPT) in Colville, Washington. On April 21, 2025, Ms. Silk was admitted into intensive outpatient substance use disorder treatment (IOP) at Alcohol Drug Education Prevention & Treatment, Inc. (ADEPT) in Colville, Washington. As a part of IOP services at ADEPT, Ms. Silk is required to submit to random drug testing with a vendor (Drug Scan) contracted through that agency.

According to an incident report provided by ADEPT, on May 13, 2025, Ms. Silk submitted to random drug testing at ADEPT with Drug Scan. On May 19, 2025, ADEPT received confirmation the aforementioned urine specimen tested positive for the presence of methamphetamine, amphetamine, marijuana and fentanyl.

On May 20, 2025, the undersigned officer confronted Ms. Silk regarding the above-noted test results. Ms. Silk denied using methamphetamine or fentanyl at that time. She also denied using marijuana since April 2025, which was previously reported to the Court.

Violation #8: Olycia Anne Silk is alleged to have violated the conditions of her pretrial diversion agreement by failing to submit to random drug testing at Alcohol Education Prevention & Treatment, Inc. (ADEPT) on May 15, 2025.

On April 28, 2025, the undersigned officer referred Ms. Silk to the U.S. Probation Office's (USPO) phase urinalysis testing program that is currently contracted through ADEPT in Coville, Washington. Starting on April 29, 2025, Ms. Silk was instructed to call ADEPT on a daily basis to verify the requirement to submit to random drug testing.

On May 15, 2025, Ms. Silk reported to ADEPT for substance use disorder treatment services and was advised by staff that she was required to submit to random drug testing for the USPO drug testing program. Ms. Silk was given approximately 90 minutes to provide a sample for drug testing, but was unable to do so.
